- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am a conscientious consumer of water. I understand it is a limited resource and limit my households use of water. I do not believe it is morally correct for a company to be able to raise my rates 55% but still charge a FLAT RATE, not considering how much water each household uses. If a rate increase is necessary I propose metered sewer connections or, as this is fiscally inadvisable, at the least Blue granite water company should communicate with the company providing water services (CPW in this instance) to determine the amount of water each household uses and charge accordingly.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
